Re: Supplemental Response to Information Request 2b
Landfill and Resource Recovery Site, North Smithfield, RI
(Brown & Sharpe Manufacturing Co.)
Our File No.: D-14997

Dear Ms. Fratus:

On behalf of the Brown & Sharpe Manufacturing Company, I submit the enclosed documents in response to the letter of Mary L. Borg, Assistant Regional Counsel, dated June 20, 1989. That letter indicated that Brown & Sharpe had not fully responded to question 2b of an information request dated July 29, 1988 insofar as certain invoices referenced in response 2b had not been produced. On June 27, 1989, Thomas Fiore of this firm spoke to Ms. Borg and confirmed that the invoices sought were those relating to materials transported by Goditt & Boyer to the Site, and reflected in the manifests previously supplied to the EPA by Brown & Sharpe. A diligent search has been performed and all such invoices known to exist are included with this letter.
